Dan_Samuel_video.jpg

Samuel Habib, 7, sits in his power-assist wheelchair and smacks a t-ball off of a batting T. His father, filmmaker Dan Habib, videotapes him with a Canon XL1S MiniDV Digital Camcorder in their Concord, NH, driveway. While making the film INCLUDING SAMUEL, Habib says he continually asked himself, "When do I play filmmaker? When do I just play with my kids?"

Alana_hallway.jpg

Alana Malfy walks near other students in a hallway at Pembroke (NH) Academy, a public high school in Pembroke, N.H., with an aide, Brenda Potter. Malfy, 17, is part of a joint program between P.A. and the University of New Hampshire Institute on Disability that works to fully include students with the most significant disabilities into the regular classrooms. Malfy and her family have found that the program brings academic rewards but also social challenges. Malfy is featured in the film Including Samuel.
